Wawa Fleet Cards

What our customers say

“ The Wawa Fleet Card is a time saver for all of us! It is wonderful having the drivers be able to fill up their trucks on the way back to the shop and not have to go out of their way to find fuel. The biggest time saver is the itemized statements at the end of the month – I know exactly who spent what. Thank you Wawa!”

Debbie Jones, Windy Willow Farms Services LLC, MD

“ WOW, where to begin. The Wawa Fleet Card Program has saved us both money and time, as we know time is money – so BIG savings. Wawa locations are easy to get in and out of and being able to access the pump 24/7 is great for my employees. Wawa fuel costs are the best in the area and our drivers are able to pick up lunch or a snack while fueling, saving even more time. Thank you Wawa!”

Jerry Harrold, Debann LLC

“ Wawa Fleet Cards have allowed us to eliminate the cost of maintaining equipment and inventory of onsite fuel tanks. We now have the ability to purchase fuel at current market price, giving us a more accurate view of cost per vehicle.”

Howard Wentworth, Wentworth Nursery

“ The Wawa Fleet Program has been a lifesaver! We are a very small mom & pop company and with the array of custom reports available we are able to track all of our fuel spend and other products for our vehicles. Customer service has always been wonderful and showed me how to utilize all of the options available to me with the online tool. I love that I get the same attention as a large company – thank you so much for being a great company!”

Mary Prickett, Acegranite LLC

“ The Wawa Fleet Card saves us time and money, every time we're on the road. Wawa fuel costs are lower, the stores are cleaner, and have a better selection of meals and snacks than other stations. Employees are always pleasant, professional and efficient when processing our orders. Our drivers travel the tri-state area and never have a problem finding a Wawa when they need it. We have been a Wawa customer for many, many years – the fleet card program is just another added benefit to the Wawa experience. Thanks Wawa!”
